Ok to schedule.

Let's invite everyone (especially Ambo to join for dinner). One big table if possible.

yes, it is penfolds magill winery which is the same place jeff bleich has been suggesting. She saw our list of otr suggestions, most of it was exactly what she would recommend anyway but she added the second museum stop. she will meet you at the hotel after Techport. We made tentative reservations at the restaurants for lunch and dinner for the 2 of you. Her suggestions for pool were to ask the hotel to close it off to other guests but it is still pretty exposed. She said it isnt really pool season there so she doesnt have any better suggestions. Monica has the info for her hairdresser and will make appointment.

Shelleys schedule:

- Exit the Intercontinental by the river-side door and walk down to the river.
- Walk along the river, past the Festival Theatre complex, to the Victoria Drive crossing.
- Continue along the river walk as far as the university footbridge. (Here we pass immediately in front of Jolley's, mentioned in your e-mail, in case this is time when food is needed -- lunch or tea.)

--Here I'm adding a suggestion. Go into the Art Gallery of South Australia for a brief look at a few major Australian works. I'm thinking Tom Roberts, Hans Heysen, and Fred Williams. There is also a small mezzanine area with significant contemporary Aboriginal paintings.

- Go next door to the SA Museum and visit the Aboriginal exhibition with an Aboriginal guide.
- Proceed along North Terrace, either walking or by car, to the front gates of the Botanic Gardens. Walk through the gardens and exit by the back gate, to be met there by a car.

--Drive to my place in North Adelaide (5 to 7 minutes by car). Depending on the schedule, this could be a quick stop or a break for a

cup of tea -- plus I want to show HRC some wedding photos!

--Return to the hotel for a break before dinner at Penfolds (5 to 8 minutes by car).

Thanks. Also, what do you know about the restaurant Shelley picked out? Is it in a winery?

Next months trip moving along. Talked with some of your irish american friends. Looks like american ireland fund is natural convener for our one big event in belfast. I'm going to start moving forward with that. lou sussman has no other ideas. Jake can give you download from our call today.

Also, kurt and jeff really enthusiastic about you seeing energy minister in adelaide and announcing the energy dialogue. Its fine and easy to do on your way out of hotel to techport but now he's saying he can only do 5 pm. We have walk, museums, lunch, shelleys house and dinner tentatively in play so this would be smack in the middle. Not crazy about that but its doable.
